Unidentified Suspect Wanted for False Imprisonment

Up to \$1,000 Reward Offered

October 7, 2020

San Diego County Crime Stoppers and investigators from the San Diego Police Department's Western Division are asking for assistance from the public to help identify and locate an unidentified suspect wanted for false imprisonment.

On August 20, 2020, at 11:17 a.m., an unknown adult male suspect entered the women's locker room at the UCSD Clinical Training Facility located at 210 Dickenson St, in San Diego. A 30-year-old female victim was using the restroom inside the locker room when the suspect walked inside. The female tried leaving the restroom but was being blocked by the suspect. The suspect asked the victim, "Don't you want this" while gesturing to his body. The suspect then left the restroom, but held onto the outside doorknob to keep the victim from locking the door.

The suspect walked back inside the restroom and blocked the victim's exit once again. This occurred a total of four times before the victim was able to lock herself inside the locker room until the suspect left. The victim waited until she heard a coworker in the hallway before leaving the locker room. The victim went outside the building to call for help and saw the suspect near another building. The victim ran from the area and called 911.

Suspect's Description:

The suspect is described as a White male, possibly 6 feet tall, thin build, unshaven, short dark colored hair with a gray patch near his right temple. The suspect has a tribal design tattoo that circles around his right arm and has various tattoos on his left arm. At the time of the incident, the suspect was wearing khaki shorts and a yellow colored reflective vest and dark colored tennis shoes.
