San Diego County Crime Stoppers along with investigators from the El Cajon Police Department's Cold Case Unit continue to look for leads to help locate 19-year-old James Ronald Peters (Jamie).

Jamie Peters was last seen by his mother on September 2, 1988. Jamie had moved in with a roommate in El Cajon. His roommate denied any knowledge of Jamie's whereabouts and said he left the apartment and didn't say where he was going.

Three months later Jamie's 1970 green Volkswagen bug was found abandoned on Mussey Grade Road in Ramona. His car had been stripped and vandalized. Jamie has not made contact with anyone and/or his remains have never been discovered.
